

What could we each do to save \$9.30 to donate to Dimes for Hunger this year?

- Give up a couple of special Venti size Lattes at Starbucks

- Give up 2 Big Mac Combos at McDonalds

- Give up a medium pepperoni pizza

- Give up an evening movie - just one ticket at the cinema or a big tub of popcorn or 2 large sodas

- Give up the senior special at the local "fish camp"

It might just take our giving up one experience, but the dimes saved will help provide food for a food pantry, food for the soup kitchen, food for home delivered meals - and even more.

Our dimes will help provide hope for someone who is needy and often hopeless.

Our dimes will show our love for our neighbors and our love for Christ.

100% of the DFH Offering helps feed our neighbors who are hungry.
