

#3 Project Hope

What does your mom or dad do when you run out of milk or cereal? Yes, they go to the grocery store to buy it. But, there are some families who don't have enough money to go to the grocery store every time they need milk or cereal?

This is a picture of a delivery truck from Second Harvest Food Bank in Charlotte. The truck is delivering food to Project HOPE in Rock Hill. Project HOPE is a food pantry where families can go to receive a week's worth of healthy food.

When we give our dimes, we are helping to buy food so that these families will have enough to eat. By giving our dimes, we are helping our neighbors just like Jesus tells us to do in the Bible.

(Close with a prayer)
