

Since 1977 members of churches in Providence Presbytery
have responded to Christ's call to
"give them something to eat".

We have collected – and given away – \$1,696,786.08
– that's 16,967,860 dimes!

By giving our dimes to provide food, we have been good
neighbors to our neighbors who are hungry
here at home and farther away.
