

DIMES FOR HUNGER

is one of the collaborative ministries of Providence Presbytery that we have supported since 1977.

We continue to collect our dimes because Christ said to his disciples long ago, "You give them something to eat!" Mark 6:37.

In 2017 WE gave \$51,205.15.

This will provide a lot of **FOOD** and **HOPE** for our neighbors.

50% of our Dimes -- \$25,602.58
will help our neighbors in the 5 counties

The Society of St. Andrew needs volunteers to help with gleaning. Folks of all ages can help – if you can bend over and lift a few pounds of produce, you can help. Gleaning projects usually are scheduled in the mornings on weekdays and Saturdays. Among the crops gathered in SC are: strawberries, potatoes, squash, collard greens, peaches, sweet potatoes, tomatoes, corn, and apples.

The Gleaning Coordinator for our area is Jean Siers (704-951-7672). Contact her if you would like to help.
