## Since 1978, Providence Presbyterians have given \$1,839,852.46 for Dimes for Hunger! In 2020 46 of our 55 churches shared their dimes for a total of \$51,300. 13 churches met the goal of \$9.30 per member (based on 2019 membership) Bethune, Blackstock, Bowling Green, Community, Cornwell, Faith, Old Waxhaw, Pleasant Ridge, Ramah, Uriel, Van Wyck, Wade Memorial, and Woodlawn 9 churches met the challenge of 20 cents per member per meal -- \$18.60 Beaver Creek, Catholic, Fort Lawn, Grace-L, Morningside, Pleasant Grove-C, Tirzah-L, Tirzah-Y and First Union 12 of our churches have participated in Dimes for Hunger **EVERY year since 1986** (since individual church records of DFH have been kept) Allison Creek, Beaver Creek, Bethesda-Y, Cornwell, Grace-L, Hebron, Oakland Avenue, Purity, Tirzah-Y, Unity, Wade Memorial, and Woodlawn Faith has participated each of its 13 years. A lot has CHANGED since 1978 – and during the pandemic. Christ's charge to us has not changed...Christ said to his disciples long ago, "You give them something to eat!" Mark 6:37 By itself, a single dime can't buy much today, but when we put our dimes together, we can make a difference in the lives of our

neighbors.

Let's start saving our CHANGE so that in 2021, our 44<sup>th</sup> year to collect and share our dimes, we can do more to CHANGE the lives of those who are hungry. Let's try to surpass our 2020 offering!
